Shashank Chinchli

Senior Solutions Architect at GitLab, ex-AWS

AWS Community Builder (AI) | AWS User Group Leader, Indore | AWS Golden Jacket holder
Bengaluru, India | schinchli.github.io | linkedin.com/in/shashankk | github.com/schinchli | gitlab.com/hey.shashank | credly.com/users/shashank-chinchli

14+ years in cloud, security and platform engineering across a product company (GitLab), a Big Tech cloud provider (AWS: Technical Trainer, then Solutions Architect II, three and a half years) and a Big Four consultancy (KPMG India). Mentors aspiring Solutions Architects, speaks and teaches on agentic AI, cloud security and DevSecOps, and contributes to open source.

EXPERIENCE

Senior Solutions Architect, GitLab

Jan 2026 - present

Product company

- Help enterprise teams in India and ASEAN adopt DevSecOps: CI/CD, security scanning, compliance and GitOps.
- Bring agentic AI into the software lifecycle with GitLab Duo Agent Platform, including workshops with Amazon Bedrock.
- Spoke at AWS Summit Bengaluru and AWS Summit Mumbai (2026); ran APAC webcasts on Duo Agent Platform and GitOps.
- Two merge requests merged into GitLab itself: a Compliance Center fix and docs (Apr 2026).

Solutions Architect II, Amazon Web Services

May 2024 - Jan 2026

Big Tech

- Designed cloud architectures with enterprise customers in financial services, healthcare and technology.
- Led Well-Architected reviews, migration assessments and AI/ML workload designs.
- Ran Amazon Bedrock workshops and sessions for BeSA Cloud Academy (Jan 2025), AI for Bharat (Nov 2025) and AWS UG Women in Tech Nepal (Dec 2025); spoke at AWS Summit 2025.
- Earned AWS Machine Learning Specialty, AI Practitioner, Machine Learning Engineer Associate and Advanced Networking Specialty in this period.

Technical Trainer, Amazon Web Services

Jul 2022 - May 2024

Big Tech

- Taught architecture, security, machine learning and DevOps as a Champion Authorized Instructor, with a 4.8/5 CSAT.
- Trained hundreds of professionals.
- Spoke at AWS Community Days in Hyderabad, Vadodara and Mumbai; ran the AWS Cloud Club CHARUSAT infrastructure camp (Mar 2024).

Manager, Cloud Security Architect, KPMG India

Feb 2021 - Jul 2022

Big Four consultancy

- Led cloud security architecture and posture management for global enterprise clients.
- Designed zero-trust, identity and compliance-automation programs across AWS, Azure and Google Cloud.
- Earned AWS Security Specialty, Azure Solutions Architect Expert and CCSK v4 during this period.

SELECTED CONTRIBUTIONS

- GitLab: two merge requests merged (Compliance Center sidebar fix, Apr 2026; onboarding docs, Apr 2026).
- Strands Agents: two pull requests merged (locale-independent model output in the TypeScript SDK; agents-as-tools docs) and eight in review across the SDK, Shell and samples, as of 12 Oct 2026.
- AWS Machine Learning Blog (14 Aug 2017): co-author, "Build Your Own Face Recognition Service Using Amazon Rekognition".
- awslabs/agentcore-samples: submitted a POC Validator agent sample for Amazon Bedrock AgentCore (Aug 2026). Open source: aws-sow-validator, learnk8s.

SPEAKING

- AWS Summit Bengaluru (Apr 2026, two sessions), AWS Summit Mumbai (May 2026), AWS Summit 2025 Developer Lounge.
- AWS Community Days: Bengaluru 2026 (track co-host), Mumbai 2024, Hyderabad 2023, Vadodara 2023, Nashik 2023.
- AWS User Group Indore relaunch (May 2026), Bhopal (May 2026), Mumbai (2023, 2024); YugabyteDB User Group Bangalore (Sep 2026).
- BeSA Cloud Academy (Jan 2025), AI for Bharat (Nov 2025), AWS UG Women in Tech Nepal, Kathmandu (Dec 2025); GitLab APAC webcasts (May and Jun 2026).
- 20+ talks, workshops and webcasts across 9 cities in India and Nepal, plus online.

CERTIFICATIONS AND RECOGNITION

Active AWS (12 of 14 earned). Generative AI Developer Pro, DevOps Engineer Pro, Security Specialty, Advanced Networking Specialty, Machine Learning Specialty, Database Specialty, Developer, SysOps Administrator, Data Engineer, Machine Learning Engineer, AI Practitioner, Cloud Practitioner

Recognition. AWS Golden Jacket holder; AWS Community Builder (AI); AWS User Group Leader, Indore; AWS Cloud Clubs Certified Instructor; Well-Architected Proficient

Other. Google Cloud Generative AI Leader and Cloud Digital Leader; CCSK v4; Microsoft Certified Trainer alumni. Lapsed: AWS Solutions Architect Associate and Professional (Feb 2026), Azure Solutions Architect Expert (2024). Verify at credly.com/users/shashank-chinchli

EDUCATION AND LANGUAGES

BTech, Information Technology, Gujarat University. Lean Six Sigma Green Belt. Speaks English, Hindi, Kannada, Gujarati and Marathi.
